Our Ref: IE319432 / CONSENT

18/07/18

Dear Mr Devlin

**REGULATION (EC) NO. 1013/2006 ('WASTE SHIPMENT REGULATION')
 THE TRANSFRONTIER SHIPMENT OF WASTE REGULATIONS 2007**

TFS Notification No:	IE319432	
Notifier:	Skips R Us (Ireland) Limited	
Waste Type:	19 12 12 (inert fines & clean construction rubble)	
Point of Exit:	Ireland	
Recovery/Disposal Code:	R1, R4, R5, R10 & R12	
Dates of Shipment	From: 18/07/18	To: 22/04/19

This letter gives our consent to the above Notification.

I enclose the above Notification document which indicates our consent in Block 20. Our consent will expire on 22/04/19.

In making our decision to consent this Notification, the Northern Ireland Environment Agency (NIEA) have taken into account the following documents supplied by you:

1. The Notification and Movement documents
2. The appendices to the Notification document

Our decision to consent to the Notification relates only to those matters which are within our regulatory competence. Before making any shipment, make sure you have all the other permissions you might need. You, and the other parties to the Notification, are responsible for doing this for each shipment, and for complying with all applicable legal requirements and controls.

In addition to the requirements set out in Regulation EC 1013/2006 (eg pre-notification, certification of receipt of waste, certification of recovery of waste, insurance against third

If you require any further information on this or related matters, please do not hesitate to contact me on +44 (0)28 9056 9742.

Yours sincerely

JOHN KNOX
